

Van Buren Parks & Recreation Project Youth Scholarship Fund Program

Project Youth is a scholarship program that provides youth the opportunity to engage in our recreational programs. The Van Buren Parks and Recreation Department has obtained funds from the community and various government agencies for the purpose of granting children in the Van Buren Township School District of low - income families the opportunity to participate in our programs. Depending on the amount of funds received, children of low-income families will participate in a program for half the program cost or at no cost at all.

If you have a child who may qualify with the guidelines stated on this form, please fill out the application and return it to the Van Buren Parks and Recreation Department at least two weeks prior to the first class.

Attach a copy of your W-2 Income Tax Form for your household income. ****Must provide a copy of both household incomes if a two income family.** Please be certain that your information will remain confidential. Your information will be reviewed to ensure that you meet the correct qualifications. Once the form has been reviewed, you will be notified with further information.
