# Why the American Flag is folded 13 times

## The meaning of each fold:

- 1) The first fold of our flag is a symbol of life.
- 2) The second fold is a symbol of our belief in eternal life.
- 3) The third fold is made in honor of remembrance of the veterans departing our ranks who gave a portion of their lives in the defense of our country and to attain peace throughout the world.
- 4) The fourth fold represents our weaker nature. We turn to God in times of peace, as well as in times of war, for divine guidance.
- 5) The fifth fold is made as a tribute to our country. To paraphrase Stephen Decatur: Our Country in dealing with other countries, may she always be right; but it is still our country right or wrong.
- 6) The sixth fold represents where our hearts lie. It is with our hearts that we pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.
- 7) The seventh fold is made in tribute to our armed forces. It is these brave men and women who protect our country against her enemies, foreign or domestic.
- 8) The eighth fold is in honor of mothers, for who the flag flies on Mother's Day.
- 9) The ninth fold is a tribute to womanhood. The faith, love, loyalty, and devotion of women helped to mold the character of countless men and women who have made this nation great.
- 10) The tenth fold is a tribute to fathers. They, too, have given their sons and daughters the defense of our country.
- 11) The eleventh fold represents the lower portion of the seal of King David and King Solomon, glorifying the God of Abraham, Isaac, and Jacob.
- 12) The twelfth fold represents an emblem of eternity and glorifies God the Father, God the Son, and God the Holy Spirit.
- 13) The thirteenth fold brings the stars uppermost, reminding us of our nation's motto, "In God We Trust."

When our flag is completely folded, it takes on the appearance of a tri-corner hat, reminding us of the soldiers who served under General George Washington, the sailors and marines who served under Captain Paul Jones, and all who followed in the U.S. armed forces. They preserved the rights, privileges, and freedoms we enjoy and celebrate.

# SENIOR HUMOR

## Honeymoon in England

On a visit to my wife's native England for our honeymoon, we arrived at London's Gatwick Airport. Tania headed for the British passport control line while I, an American, waited in the foreigner's line. When my turn came, the customs officer asked me the purpose of my visit. "Pleasure," I replied. "I'm on my honeymoon." The officer looked first to one side of me, then the other. "That's very interesting, sir," he said as he stamped my passport. "Most men bring their wives with them."

## Secret To A Happy Life

A lady noticed an old happy man sitting on his porch. "Excuse me" she said "I just couldn't help noticing how happy you look. Tell me, what is the secret to your long happy life." "Well, the man responded, "I eat fatty foods, never exercise. I also smoke three packs of cigarettes a day, and drink about a case of whiskey a week" "Wow" the woman said "and how old are you?" "Twenty eight," he said.

## *Do you remember Bob Hope? You'll enjoy this*

On his death bed they asked him where he wanted to be buried. His answer was, "Surprise me!"

I had forgotten that he lived to be 100, and also didn't realize it has been over 10 years since he died. Always enjoyed him, his movies, and his show. He touched a lot of lives during his life.

Thought you might enjoy a bit of memory touching. Enjoy and recall a great comedian.

This is a tribute to a man who DID make a difference.

### **ON TURNING 70**

'I still chase women, but only downhill.'

### **ON TURNING 80**

'That's the time of your life when even your birthday suit needs pressing.'

### **ON TURNING 90**

'You know you're getting old when the candles cost more than the cake.'

### **ON TURNING 100**

'I don't feel old. In fact, I don't feel anything until noon. Then it's time for my nap.'

### **ON GIVING UP HIS EARLY CAREER, BOXING**

'I ruined my hands in the ring. The referee kept stepping on them.'

### **ON NEVER WINNING AN OSCAR**

'Welcome to the Academy Awards, or, as it's called at my home, 'Passover.'

### **ON GOLF**

'Golf is my profession. Show business is just to pay the green fees.'

### **ON PRESIDENTS**

'I have performed for 12 presidents but entertained only six.'

### **ON WHY HE CHOSE SHOWBIZ FOR HIS CAREER**

'When I was born, the doctor said to my mother, Congratulations, you have an eight pound ham.'

### **ON RECEIVING THE CONGRESSIONAL GOLD MEDAL**

'I feel very humble, but I think I have the strength of character to fight it.'

### **ON HIS FAMILY'S EARLY POVERTY**

'Four of us slept in the one bed. When it got cold, mother threw on another brother.'

### **ON HIS SIX BROTHERS**

'That's how I learned to dance. Waiting for the bathroom.'

### **ON HIS EARLY FAILURES**

'I would not have had anything to eat if it wasn't for the stuff the audience threw at me.'

### **ON GOING TO HEAVEN**

'I've done benefits for ALL religions. I'd hate to blow the hereafter on a technicality.'

Give me a sense of humor Lord, give me the grace to see a joke, to get some humor out of life, and pass it on to other folk. To the person receiving this, the grace to pass it on to others!
