ACTION REQUESTED	
Approve the appointment of James Chudzinski to fill the unexpired term of office on the Downtown Development Authority, term to expire March 9, 2022	

BACKGROUND – (SUPPORTING AND REFERENCE DATA, INCLUDE ATTACHMENTS)	
<p>Mr. Ron Blank has served on the Van Buren Township Downtown Development Authority since 2001. He has decided to retire and has sold his businesses in Van Buren. Mr. Blank has played a very integral part of the many successes the DDA has enjoyed over the years. Past accomplishments are part of the guide to where the DDA is heading in the future</p> <p>In order to fulfil the requirements of the DDA Act it is necessary that the Township Board appoint a business owner from within the DDA boundaries. I have received an application from Mr. James Chudzinski who is the owner of Express Tire on Belleville Road in the Van Buren DDA District. I am confident that Mr. Chudzinski will be a valuable asset to the Authority.</p> <p>The Van Buren Township Downtown Development Authority continues to be pro-active and places a strong emphasis on the vitality of the district with a well-balanced mix of business, residential and civic places. He has a strong desire to continue the work the DDA has been doing. I would ask the Township Board’s favorable consideration in Mr. Chudzinski’s appointment.</p>

CHARTER TOWNSHIP OF VAN BUREN
County of Wayne, State of Michigan

Ordinance No.: _____
(Township Board Meeting Date)

The Charter Township of Van Buren hereby ordains that Sections 74-27 to 74-29 of the Township General Code of Ordinances be amended as follows:

Sec. 74-27. - Removal of snow and ice from sidewalks, walks, and ramps.

- (1) All snow and ice which has accumulated prior to 6:00 a.m. on a sidewalk adjacent to property not zoned residential shall be removed by the owner or occupant by noon. The owner or occupant of the property shall also remove snow and ice from walks and ramps that are at bus stops or that lead to a marked or unmarked crosswalk. Provided that when ice has so formed upon any sidewalk, walk or ramp that it cannot be removed, then the owner or occupant shall keep the same effectively sprinkled with sand, salt or other suitable substance in such manner as to prevent the ice from being dangerous, until such time as it can be removed, and then it shall be promptly removed.
- (2) Within 24 hours after the end of each accumulation of snow greater than 1 inch, the owner or occupant of every property zoned residential shall remove the accumulation from the adjacent sidewalk and from walks and ramps that are at bus stops or that lead to a marked or unmarked crosswalk.
- (3) Within 18 hours after any ice forms, the owner or occupant of every property zoned residential shall treat the ice on the adjacent sidewalk and on walks and ramps that are at bus stops or that lead to a marked or unmarked crosswalk with sand, salt or other substance to prevent it from being slippery.
- (4) The requirements in this section apply to the accumulation of snow and/or ice from any source, including, but not limited to, precipitation, drifting of snow, and drainage or spilling of water onto the sidewalk, walk or ramp.
- (5) Compliance with this section requires making sidewalks, walks, and ramps free of snow and ice for their entire constructed width and length.
- (6) Snow and/or ice that is removed as required by this section or that is removed from private property shall not be placed on a sidewalk or street.
- (7) "Owner," for purposes of this section and Sec. 74-28, means the owner as shown in the records of the Township Assessor.
- (8) "Walk," for purposes of this section means any walkway that is paved with sidewalk material and that is contiguous with the sidewalk adjacent to the owner or occupant's property regardless of whether or not it is parallel to the right-of-way.
- (9) An owner of the property or an occupant who fails to comply with this section shall be responsible for a civil infraction, which shall be punishable by a civil fine of not more

than \$100.00 for the first citation issued in a six month period, not more than \$250.00 for the second citation issued in a six month period, and not less than \$500.00 and up to \$1,000.00 for each additional or subsequent citation issued in a six month period, plus costs and all other remedies available by statute. The maximum fine for any offense shall not exceed \$1,000.00. If the penalty is not paid within 45 days, the township shall have a lien upon such developed land or subdivided land for such expenses and such lien shall be enforced in the manner prescribed by the general laws of the state providing for the enforcement of tax liens.

Sec. 74-28. - Issuance of citation and removal by township.

- (1) Each season, the first time snow or ice is not removed or treated by the owner or occupant as required in section 74-27, the township will give notice to the owner or occupant. The notice may be made in person, by telephone, by mail or by written notice left at the property. The notice will indicate that if the owner or occupant fails to remove the snow and/or ice within 24 hours of the notice, a citation may be issued and the township may cause such snow and/or ice to be removed at the owner's expense. For second or subsequent days on which snow or ice is not removed or treated as required in section 74-27, the township may issue a citation and remove the snow and/or ice at the owner's expense without further notice.
- (2) Any time the township has snow and/or ice removed under this section, the actual cost of removal of snow and/or ice that is incurred by the township plus an administrative fee of \$50.00 will be charged to the owner of the property. If the owner fails to pay the charge within 45 days, the township shall have a lien upon such developed land or subdivided land for such expenses and such lien shall be enforced in the manner prescribed by the general laws of the state providing for the enforcement of tax liens. The charges under this section are separate from any fine imposed under section 74-27 and are not waivable or alterable by the court in proceedings on a citation issued under section 74-27.

Sec. 74-29. - Financial hardship.

Upon proof of financial hardship the Township Supervisor may authorize charges under section 74-28(2) to be paid in installments, to be reduced, or to be cancelled.

Effective Date

This amendment shall become effective upon publication in a newspaper of general circulation within the Charter Township of Van Buren.

County of Wayne, State of Michigan**

Ordinance No.: _____
(Township Board Meeting Date)

The Charter Township of Van Buren hereby ordains that Article I of Chapter 74 (Sections 74-1 to 74-10) of the Township General Code of Ordinances be amended as follows:

ARTICLE I. - SNOW EMERGENCIES

Sec. 74-1. - Purpose.

The purpose of this article is to expedite the prompt removal of all parked and stalled vehicles and trailers from township streets, during periods of heavy snowfall, when such trailers and vehicles impede snow-removal operations and cause serious traffic congestion; and to authorize the Supervisor to declare a snow emergency during such periods in the interest of preserving and protecting the public health, safety and welfare; and to authorize the Van Buren Township Police Department to enforce provisions of this chapter.

Sec. 74-2. - Definitions.

The following words and phrases, when used in this article, shall have the meanings respectively ascribed to them in this section, except where the context clearly indicates a different meaning:

Director is the Director of Public Services, or in his/her absence, his/her duly authorized representative.

Motor vehicle means every self-propelled conveyance used, or capable of being used, as a means of transportation on land.

Park, parked, or parking means the standing of a vehicle, whether occupied or not, other than temporarily for the purpose of and while actually engaged in loading or unloading merchandise or passengers or when stopped temporarily for making necessary repairs.

Person means every natural person, firm, partnership, association or corporation and their respective agents.

Roadway means that portion of a street or highway improved, designed or ordinarily used for vehicular travel, exclusive of the shoulder or berm.

Street or highway means the entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Supervisor is the Township Supervisor, or in his/her absence, his/her duly authorized representative.

Trailer means every vehicle with or without motive power, other than a pole-trailer, designed for carrying property or persons and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.

Township means the Charter Township of Van Buren.

Sec. 74-3. - Procedure for declaration.

- (a) Whenever the Supervisor finds, on the basis of falling snow, sleet, or freezing rain, or on the basis of a forecast by the U.S. Weather Bureau or other weather service that weather conditions will make it necessary that motor vehicle traffic be expedited and that parking of any motor vehicle or trailer on township roadways be prohibited or restricted for snow plowing and other purposes, the Supervisor shall put into effect a parking prohibition on parts of or all township roadways by declaring it in a manner prescribed in this section.
- (b) Notwithstanding the provisions of subsection (a), a parking prohibition shall automatically go into effect on any roadway on which there has been an accumulation of snow and ice of four inches or more.

Sec. 74-4. - Notice of declaration.

- (a) The Supervisor, upon declaring a snow emergency, shall cause a public announcement of such parking prohibitions and/or restrictions and the areas designated for said restrictions by means of broadcasts and/or telecasts from various commercial stations serving the township and on the public access channel of any cable television franchisee servicing the township.
- (b) The Supervisor shall prepare such declaration of snow emergency and cause it to be posted in the Township hall for such period of time as the snow emergency regulations are in effect.

Sec. 74-5. - Enforcement.

- (a) Within six (6) hours after notice of a snow emergency has been given, any motor vehicle or trailer parked on any roadway within the Township shall be removed. Any vehicle or trailer parked on any roadway in violation of the provisions of this article may be ticketed and/or removed and impounded by order of the police department or the Director or the Director's designees. The owner shall be required to pay towing, impounding and storage costs prior to the return of the vehicle or trailer in addition to any fines and costs which may be assessed for the violation of this chapter.
- (b) Proof that the motor vehicle or trailer described in the complaint was parked in violation of this article, together with proof that the defendant named in the violation was at the time of such violation the registered owner of said motor vehicle or trailer, shall constitute a presumption that the registered owner of such vehicle or trailer was the person who parked such vehicle or trailer at the point where, and for the time during which, such violation occurred.

Sec. 74-6. - Stalled vehicle.

Whenever a vehicle becomes stalled for any reason, whether or not in violation of this section, on any township roadway on which there is a parking prohibition in effect, the person operating such vehicle shall take immediate action to have the vehicle towed or pushed off the roadway. No person shall abandon or leave his/her vehicle in the roadway, regardless of whether he/she indicates by raising the hood or otherwise that the

vehicle is stalled, except for the purpose of securing assistance during the actual time necessary to go to a nearby telephone or to a nearby garage, gasoline station, or other place of assistance and return without delay.

Sec. 74-7. - Termination.

Once in effect, a prohibition under this division shall remain in effect until terminated by announcement of the individual declaring the snow emergency in accordance with this section, except that any roadway area which has become substantially clear of snow and ice from curb to curb for the length of the entire block shall be automatically excluded.

Sec. 74-8. - Relationship to other laws.

Nothing in this section shall be construed to permit parking at any time or place where it is forbidden by any other provision of law.

Sec. 74-9. - Penalty.

Any person who violates any of the provisions of this division shall be deemed responsible for a civil infraction. The fine for violation of this section shall be one hundred fifty dollars (\$150.00) for a first offense, two hundred fifty dollars (\$250.00) for a second offense, and five hundred dollars (\$500.00) for a third or subsequent offense.

Secs. 74-10—74-25. - Reserved.

Effective Date

This amendment shall become effective upon publication in a newspaper of general circulation within the Charter Township of Van Buren.
