

Greetings!

The annual Van Buren Parks and Recreation Department Candy Loop will be **Saturday, October 26, 2019 from 4:00p.m.-6:00pm.** In order to make this program a success the recreation department is seeking candy donations as well as helpers to pass out candy. We are hoping this event is an opportunity you would like to participate in by helping to bring the community together. The Candy Loop will take place at Quirk Park behind the Township Hall on the small walking path near the pavilion. Little ghosts and goblins can walk the path to various candy stops to receive tricks or treats. *(A fun alternative from walking door to door)*

- The recreation department will have various tables set up along the candy loop. Feel free to bring your own Halloween decorations for the table and surrounding area. Just give us a heads up if you will be bringing your own decorations (please keep in mind this event attracts the younger crowd so decorations need to be age appropriate)
- If you decide to help pass out candy feel free to bring promotional material to hand out to parents on the event day.
- Here in Van Buren Township we support a healthy lifestyle and want our ghosts and goblins to be at their best. So treats can range from fruit snacks to graham crackers to candy bars... it is up to you. Just please be sure to have enough for **1,000 little goblins** * *Please, no small items that may be a choking hazard. If you plan on bringing hard candy please make sure it is on a stick.*

PARKING: The parking lot where this event will take place has limited parking. If possible, please unload your items to your table then park in the Township Hall parking lot. Thank you for your cooperation and understanding.

Thank you for choosing to help make this Halloween safe and fun for everyone! It is going to be a ghoulishly fun time.

Recreationally Yours,

Interested please call (734) 699-8921 and complete the attached form by October 21.

If planning on decorating your spot please be at Quirk Park by 3:00p.m.
