**Ballot Question Proposal - Public Safety Millage**

Shall the Charter Township of Van Buren, Wayne County, Michigan assess a 6.5 mill levy to provide funds for public safety services, including: police; fire; dispatch; emergency management; and ordinance enforcement? The 6.5 mills (\$6.50 per \$1,000 taxable value) is to be levied against all property within the Township, pursuant to 1947 PA 359, as amended, for a period of seven years beginning December 2017 through December 2023, inclusive, which would be approximately \$6,421,136 when first levied in December 2017, less the estimated tax captures: Downtown Development Authority in the amount of \$292,084 (pursuant to 1975 PA 197, as amended); and Local Development Finance Authority in the amount of \$128,266 (pursuant to 1986 PA 281, as amended). If approved, this new millage would replace a previously authorized police and fire services millage that expires December 2016.
