--------------------------------------	---	---

PLANS ARE REQUIRED and shall be prepared under the direct supervision of an Architect or Engineer licensed pursuant to 1980 PA 299 and shall bear that Architect's or Engineer's signature.

Plans are not required for the following:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
2. Work completed by a governmental subdivision or state agency costing less than \$15,000.00

If work being performed is described above, check box **PLANS NOT REQUIRED**

Job Description: _____

Homeowners Affidavit: I hereby certify the electrical work described in this permit application shall be installed by myself in my own home which I am living or about to occupy. All work shall be installed in accordance with the Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange the necessary inspections.

Applicant Signature: _____
