

TRI-COMMUNITY CONNECTIONS RESOURCE GUIDE

VAN BUREN
CHARTER TOWNSHIP

*Resources for the
tri-communities of
Sumpter Township,
City of Belleville
and Van Buren
Township.*

Dear Community Members,

As a New Year sets in, we must not forget the struggles that face our at-risk population within the tri-communities of Belleville, Sumpter Township, and Van Buren Charter Township. Since there are limited resources available to service our vulnerable population. Therefore, it's with extreme importance, we collectively identify those resources that are available to assist our residents seeking emergency services, as well as basic needs such as: food, clothing, shelter, physical and mental health resources, employment, transportation, and any other social well-being programs.

Van Buren Charter Township has sponsored this 2020 **Tri-Community Connections Resource Guide** to connect people to resources and bring our communities together. This guide was designed to help locate federal, state, local and online resources that are within the 48111 zip code or a 10-mile radius of it. It's meant to be a living document as each of our communities add resources, thoughts, and strategies to aid our at risk population. Actively continue to embrace diversity and inclusion is the core foundation of this guide. Anything we can do as community leaders to help facilitate linking services to those who need them most, will help us prosper as a society and improve the overall quality of life for the tri-community area.

Sincerely,

Kevin McNamara

Township Supervisor
