### **Yard Waste Resumes. Bulk Pick Up Still Postponed**

VAN BUREN TOWNSHIP, Mich., April 17, 2020— Yard waste will resume the week of April 20th, but bulk pick up is still postponed until further notice. Bulk pick up items include a couch, a refrigerator, table, etc.

Due to anticipated heavy volumes during the week some yard waste stops may not be picked up on the regular service day. Waste Management crews will work to recover the material as quickly as possible based on crew availability.

For yard waste, please make sure to bundle all branches less than 6" in diameter. Bundles can not weigh more than 50 lbs and be no longer than 4 feet in length and 18" around. Brush larger than 6" in diameter must be bundled but is considered trash and will be picked up as such. If you're putting the brush in a can, it must have a yard waste sticker on it.

If you need a yard waste sticker or landfill pass (to drop off bulk items) please call 734-699-8926, leave a detailed message including your name, address and phone number and a staff member will return your call.
