TOWNSHIP HALL REOPENS JUNE 15, ENCOURAGING REMOTE BUSINESS & APPOINTMENTS FOR VISITORS

VAN BUREN TOWNSHIP, Mich., June 4, 2020- The Township will reopen to residents on Monday, June 15, but is still encouraging residents to do business remotely and by appointment. For a list of department contact information and frequently asked questions (Building Permits, how to pay a bill, joining the absentee voters list, etc.) visit <https://vanburen-mi.org/>.

“If at all possible we’re encouraging residents to limit coming into the building. However, we will be glad to see and serve those who have to come in,” said Treasurer Sharry Budd.

New procedures have been put in place when entering Township Hall to ensure the safety of our staff and residents. Upon arrival, all visitors must wear a mask inside the building, have their temperature recorded (a contactless process with an Infrared Thermometer) and will be asked to take a quick standard confidential screening questionnaire.

All Van Buren Township parks (Quirk Park & Senior Garden, Van Buren Park, Riggs Heritage, French Landing & Haggerty Neighborhood Parks) will reopen on June 22 with proper sanitizing and signs posted to follow social distance guidelines. However, all playground equipment, the Van Buren Park Beach, Quirk Park Splash Pad and Park Pavilions will remain closed until further notice.

The Van Buren Township Senior Center, Parks & Recreation Department & the BAM: Belleville Area Museum will remain closed until further notice. All Township activities, programs and events have been canceled until July 5.
